1. General Information

Attribute	Detail
Company Name	Chikku Robotics
Headquarters	India
Global Offices	Ho Chi Minh City, Vietnam; Tamil Nadu, India
Tagline	<i>Intelligent Robots for a Smarter Future</i>

2. Mission & Vision

2.1 Mission

To make advanced robotics and AI technology approachable, beneficial, and accessible to businesses and society worldwide.

2.2 Vision

A world where intelligent robots work alongside humans seamlessly — enhancing productivity, safety, and quality of life across every industry.

3. Core Values

3.1 Human-Centered Design

Every robot we build is designed with people in mind — intuitive, safe, and trustworthy.

3.2 Innovation Excellence

We push the boundaries of what is possible through continuous R&D and breakthrough technologies.

3.3 Collaboration

We partner with universities, governments, and industry leaders to accelerate the robotics revolution.

3.4 Sustainability

Our robots are designed for energy efficiency and long-term environmental responsibility.

3.5 Trust & Safety

Safety is non-negotiable. All our robots meet international safety standards including ISO 13482 and ISO 10218.

4. Name Origin & Brand

4.1 Inspiration

Chikku fruit (*Manilkara zapota*), also known as sapodilla.

4.2 Story

The Chikku fruit, also known as sapodilla, is beloved across Asia for its natural sweetness and nourishing qualities. Just like the fruit, our robots are designed to be naturally welcoming, trustworthy, and enriching — seamlessly integrating into human environments to make life better. The name reflects our philosophy: technology should be as approachable and delightful as biting into a sweet Chikku.

4.3 Pronunciation

Chik-koo

4.4 Brand Colors

Role	Color	Hex Code
Primary	Deep Blue	#1A237E
Accent	Warm Orange	#FF6F00
